

## *“Painting in Paradise”*

A well-kept Delray Beach secret is about to be unveiled.....

*Paradise Palms Botanical & Sculpture Gardens* consists of 20 acres of garden environments, original sculptures, water features and structures that are a plein air painter’s dream.

The property is meticulously groomed and prided on having one of the most extensive palm collections in the United States.

*Paradise Palms Botanical & Sculpture Gardens* is open to the public by appointment only.

---

From May - December 2023 a group of artists curated by Art Moves You are painting their interpretation of  
*Paradise Palms Botanical & Sculpture Gardens*.

The outcome will be an exhibit at the Cornell Art Museum’s titled

## *“Painting in Paradise”*

January & February 2024

Opening reception Friday, January 5, 6-9pm

The artworks in this exhibit are created En Plein Air by 18 well known talented artists from South Florida with a diversity of styles and a variety of mediums including oils, watercolors, gauche, acrylics, drawings, and photographs.

En Plein Air means painting in the outdoor environment capturing the natural effects of light in nature found at  
*Paradise Palms Botanical & Sculpture Gardens*.
